Events

-Game night

\* Who's responsible -- someone should be.

-> Renate and Karianne volunteer for setting up the event. Espen will set up the switch.

\* Who's responsible for snacks (pizza also)?

-> Alex 'volunteered' -- will bring someone

-October

\* Student Game night

-> Friday the 12th. Finishing midterms with style.

\* Basement coffee

-> Proposed and agreed to be Monday the 15th

Elections

- Program board rep

-Main: Eirik -sub: Metin |(volunteered and approved)

-MNSU rep (re-election, due to clashing scheduals)

-Main: Alex will do it! (If Gabriel doesn't want to, that is)

Updates

- AFU merch

Karianne has found a merch-store and inquired about prices (uniprint). Hoodies (20 of them for 250-300 dollars-ish) (smallest bulk is 10-ish) A sign-up sheet with picture of the hoodie will be posted Stickers are also a possibility Alumni can also buy, even bachelor-students.

- Institute board

No much relevant info from meeting. Mostly about professor hiring (solar physics & Cosmology)

Information about hiring will be sent to matnat for approval.

Trampoline park

Deadline soon. Reminder.

Faculty meeting coming up

October the 3rd?

Everyone can bring up stuff.

- SULF

Not much to report. Discussion of turning off AC early when rooms not in use. Stellar Cellar will be spared.

Survey of how students feel like have been made, and shows results of loneliness and sad stuff.

- Study hall

\*Dishwasher

Use it, please! Both put in dirty stuff and take out clean stuff.  
Also, don't fear the dishwasher -- everyone's responsibility.

\*Curtains

Kristine has been notified about curtains that's weird.  
Might fasten them in a new way so that they don't fall down when opening the window.

Will look into it

\*Computers

Will we get them?  
No. (ethernet-ports)  
Later?

Maybe. After the study hall upgrade.

\*Any issues? Tell Renate.

\*Waffles are back. Tomorrow at 10:00

\*Noise. Try not to make it, but a small amount should be ok.

- Lecturer of the year

Each institute sends nominees -- we should too.  
One female and one male lecturer nominee.

Sijing have to be nominated (only female lecturer)

Other candidates:

Frode  
Hans Christian  
Håvard  
Øystein

Luc  
Bouis

Håvard was voted as a nominee (in tight competition with Øystein)

Reasons?

Daniel is responsible for Sijing reasons  
Erik is -||- Håvard -||-

- Midterm evaluations

AST2000	--	Ingrid Marie, Julie and Renate
AST1010	--	Espen
AST2210	--	Eirik and Metin
AST4310	--	Karianne
AST4320	--	Daniel

-> Someone must meet in lectures, distribute surveys and read through and do summary.

- Meeting frequency

Fewer long meetings or more shorter meetings?

Espen argues for more shorter

Options		Votes:
/2 week		2
/3 week		7
/month		0
dynamic		7

New vote!

Dynamic		6
/3 week		don't bother counting

- Forskernatt

Everyone (at the AFU) must write 2-3 questions about anything regarding sci-fi.

-> Send them to Espen before Friday.

We also need a quiz-holder

Espen will be holding the quiz.

Anyone else? -> Ingrid Marie volunteers.

- Courses (shell scripting, ITA-system, and alot of useful stuff)

Karianne recites posted dates.

- Can be found at the Stellar Cellar facebook-group

- No objections were made.

- Trash and recycling

'Panting' -> Øyvind and Alex does it, won't have to next time!

The end.
