27th of November

Agenda:

- Meeting leader: X
- Secretary: X
- Summoning: (50 % approval – room for improvement, Espen)
- Agenda: X
- Coffee: X

Reports:

- Institute Board
Something about moving, but not relevant to us.
- FULF
Espen forgot his notes, but nothing noteworthy anyway.
- LAMU
Eirik went. They talked about moving, ventilation etc. Kristine will check into the situation on ventilation (can currently choose either bad air in the morning or evening due to limited ventilation hours).
- MSNU
Alex went. Everything passed ish.

Moving to Ullevål:

- Happening the 15th. They know about the exam, but we can come back Saturday to finish moving if we want to.
- There are rules for boxes (color coded!). For info, see paper (ask Espen if you haven't gotten levels/rule-paper).
- We have to do a dugnad! 1st years responsible for kitchen, 2nd years for stuff in the reading hall.
- Webpage sent on email from Unni – look at it to see how to pack.
- Kristine is pro ping pong! We might be allowed to bring the table.
- Current seating draft up. Is nice. We'll get our good ol' desks. There's plenty of space (which we love here at ITA).
- Cabinets will not be brought! Bring your stuff.
- If you can't find the computer packaging email, ask Renate or student mail stuff.

- There's going to be a few days in December where we're homeless (=without study hall). This might be a good time to check your privilege.

Other:

- Cabin burnt down :/
Despair not – several cabins to choose from.
Would be nice with running water though.
- Sweaters on a hold, because of heated controversial sweater debate on facebook.
How will we unite the people? – Poll.
- Course evaluation will be carried out by our best.

Cleanup: Øyvind and Alex heroically takes on the responsibility.
