Declarations and signatures

This is a binding agreement between the candidate, the supervisors and the faculty.

By signing, I declare that I

- support the outline of the project
- will inform the team below, on a regular basis, about all matters significant for carrying out the PhD study
- will not include work or part of work that has been approved as the basis for previous examinations or degrees. However, data, analyses or methods used in previous degrees may be used as a basis for the doctoral project.
- must follow research ethical principles that prevail within the subject area
- have familiarised myself with the [University's](#) and the [Faculty's](#) regulations and the guidelines
- must follow [ethical guidelines for supervision relationships at UiO](#) (requirements for both candidate and supervisor)
