

There are multiple happy pathways through life!

Professional skills matter!

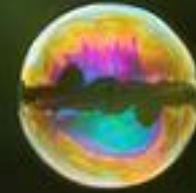

Take some risks. Control constrains!

Be picky about your professional leaders!

Make your best to align your career choices with your personal values

*Shipp Meade*

My PhD shaped my abilities to:

- trust my own abilities in challenging situations
- acquire and adapt knowledge in advanced problem solving
- think critically and independent
- communicate clearly
- appreciate and respect the human heritage of reason and rationality
