

## The Norwegian Centre for Transmission Electron Microscopy

### Price list for the NORTEM facilities

#### 1. April 2013 – 31. March 2014

The following prices apply to all activities from April 1<sup>st</sup> 2013, and should be used as a basis for applications for future funding. The price list is preliminary, changes should be expected when the full NORTEM running model is defined.

		Academic use (ex. VAT)	Industrial/other use (ex. VAT)
Level 1	FEI Titan and JEOL ARM200	800,- NOK/hr	800,- NOK/hr
Level 2	JEOL 2010F	600,- NOK/hr	700,- NOK/hr
Level 3	JEOL 2100, JEOL 2000FX and Philips CM30	400,- NOK/hr	700,- NOK/hr
Annual fee (*)	Unlimited access to all instruments in one node	150 000,- NOK/yr	-

(\*) Applies only to PhD students and Post docs working on their pre-defined project subject to local booking rules.

Ongoing projects and activities funded prior to 1. April 2013 can contact the local NORTEM project management to discuss how this can be accommodated.

The following rules apply:

- The hourly rate is paid per booked hour
- The hourly rate covers rent of the instrument; operator is not included
- Access to standard consumables and sample preparation equipment is included in the hourly rate
- Local booking rules may apply

Academic use is defined as:

- Bachelor, Master and PhD students and teaching
- Post docs and researchers working within publicly funded and co-funded projects (e.g. NFR and EU)
- Fully internally financed research within non-profit research institutions
- All other use falls within the “Industrial/other” category.
