

Global Glacier Modeling Workshop, Oslo, 10-12 February

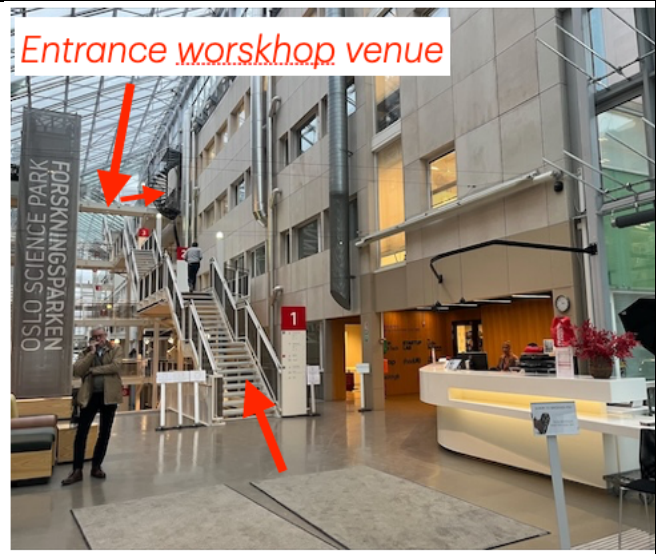

Description to workshop venue [Toppssenteret i Forskningsparken](#), Gaustadalléen 21

- Take subway to **Blindern** or **Forkningsparken (T-bane line 4 or 5)**. In both cases the walking path (no cars) is on the western side of the subway tracks (which are above the ground here).
- Note the venue is in a building that includes many start-up companies. The conference rooms are on the top floor

Toppssenteret from the north. Entrance is between the two tallest trees.

The conference room is on the upper floor to the right. Walk up the stairs to the top.
