

KUPP-3

Karriere Utvikling Pilot Prosjekt Workshop 3

Thomas Bondo Pedersen

Hylleraas Centre for Quantum Molecular Sciences

Department of Chemistry, University of Oslo, Norway

DNVA, October 29, 2024

KUPP in a nutshell

Norwegian Centres of Excellence scheme

The SFF scheme gives Norway's leading researchers the opportunity to organise themselves into centres to achieve ambitious scientific goals. The research shall move the international research front, be innovative and groundbreaking. Centres are funded for up to ten years (six + four years).
