Q and A

..You may also ask questions during the
presentation

About the study plan agreement

- The study plan agreement is between the student, supervisor(s) and the department concerning your master's degree.
- Includes information regarding your plan for your master studies.
- Deadline December 1st.
- An application: it can either be approved or not approved.
 - Make sure you choose a supervisor from a research group your program is connected to
 - Use your supervisor when choosing courses and writing a project plan
 - Make yourself familiar with the demands of your program
 - See Programme structure/Oppbygging og gjennomføring
