

UiO • **Department of Informatics**
University of Oslo

**Welcome as a new master's
student at
The Department of Informatics!**

Today's schedule:

- Information about your master's programme
 - Courses this semester
- Information from the student administration
 - Programme for the rest of the week
 - Infection prevention at UiO and at IFI
 - Practical information
 - How to register for courses, who to contact, etc.

Programme: Digital Master Week

- Thursday: QnA on Zoom
 - Study related questions
 - Academic questions? Ask them today!
- Friday: Seminar for all new master's students
 - Welcome from the department, ethics, methods, and library services.

Links to meetings in e-mail. See full program:

<https://www.mn.uio.no/ifi/studier/master/studiestart/>

AT ALL TIMES YOU SHOULD...

**Keep good
hand hygiene
by washing
and using
antibac**

**Keep your
distance to
others = 1 m**

**... And if you
feel ill you
should go
home or stay
at home**

Infection prevention at the University

In addition to the three main rules you should:

- Enter and leave rooms and buildings in a sensible way
- Avoid passing others face to face in auditoriums
- UiO is a public space - respect the rules that apply in society in general
- Together we can avoid another shut down!

See:

- [Mandatory infection prevention course](#)
- [UiO's complete infection prevention guide](#)

IF I FEEL ILL

**GO HOME
IMMEDIATELY
/ STAY AT
HOME**

Contact the health
authorities via
your doctor / the
Corona telephone
— they will tell you
whether testing is
necessary

**UiO keeps
contact with
the health
authorities
and vice
versa**

**Inform your
buddy group**
