Your creative place to be.

Momentum

Momentum is a student-driven internship program at the University of Oslo (UiO), aimed at introducing students to alternative career paths where they can apply their knowledge and skills. Momentum connects UiO students with companies offering relevant summer jobs, providing them with hands-on work experience.

What does Momentum offer?

- Practical work experience
- Skills development
- Networking opportunities

SUI
Studenforeningen for utdanningsvitenskapelig innovasjon

UNIVERSITY OF OSLO

SFI

SMI
Studentforeningen for medisinsk innovasjon

Det medisinske fakultet

Det matematisk-naturvitenskapelige fakultet

Veksthuset for verdiskaping – UiO Growth House

"Tell me and I forget. Teach me and I may remember. Involve me and I learn."

– Benjamin Franklin

- Holding workshops and presentations for students and companies.
- Planning and hosting larger events
- Great experience on your CV

Momentum
UiO

Co-Create

Co-Create is a student innovation program that **connects students** across Oslo's universities **through entrepreneurship**.

The initiative is open to all students from:

- UiO
- BI
- OsloMet
- NMBU
- Kristiania

Our events

During the spring we host a collection of events and lectures **preparing you to start your own venture**.

We aim to create cross-disciplinary teams, and help them take their start-up to the next level.

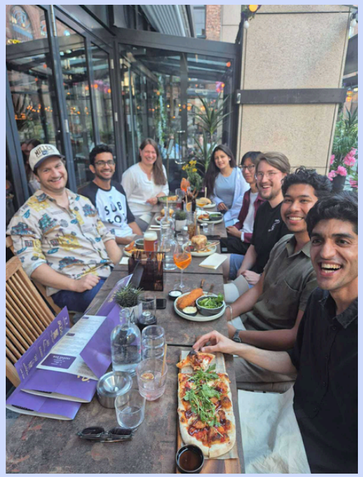
Summer Scholarship

We offer our most motivated students the opportunity to **work on your venture projects** throughout the summer — **fully compensated**.

You will receive:

- A scholarship equivalent to two months salary
- A course run by Gründergarasjen
- Access to iHuB and StartupLab
- Access from experienced mentors
- The chance to become part of Oslo’s student entrepreneurship community

This year, **we supported 8 projects** (16 scholarships), **including several students from IFI**.



INSJ

INSJ is a student incubator at the University of Oslo (UiO) that works to promote entrepreneurship among students. We offer free guidance, events, and networking opportunities to help students develop their ideas into viable businesses or projects.

INSJ offers several services, including:

- Free access to Fiken (accounting software), legal guidance, IT consulting, and assistance with funding applications, including STUD-ENT.

"Great things in business are never done by one person; they're done by a team of people." – Steve Jobs
