

6th National Meeting on Inorganic and Materials Chemistry

Gardermoen May 2 – 3rd 2017

The 6th national meeting on inorganic and materials chemistry will be held at Gardermoen Comfort Hotel Runway (<https://www.choicehotels.com/norway/gardermoen/comfort-inn-hotels/no113>) on May 2nd and 3rd 2017.

Please inform students and coworkers since the invitation email list is non-complete.

We invite all participants to give an oral (15+5 minutes) or a poster presentation (see link to the electronic registration form; <https://nettskjema.uio.no/answer/inorganic2017.html>) within any topic relevant for inorganic chemistry and materials chemistry.

Deadline for submission of abstract (oral and poster) by email to Inorganicmaterials2017@gmail.com is Sunday **April 2nd**. Recommended length of abstract is ½ - 1 page, include coauthors and affiliation. Feedback for selected oral contributions will be given on April 7th.

We intend to accommodate all posters in a separate session.

In addition to the scientific program, the Inorganic and Materials Chemistry group of NKS, FUM-NKS (Norsk Kjemisk Selskap) will hold its general assembly.
