Changepoint detection

>= 2015

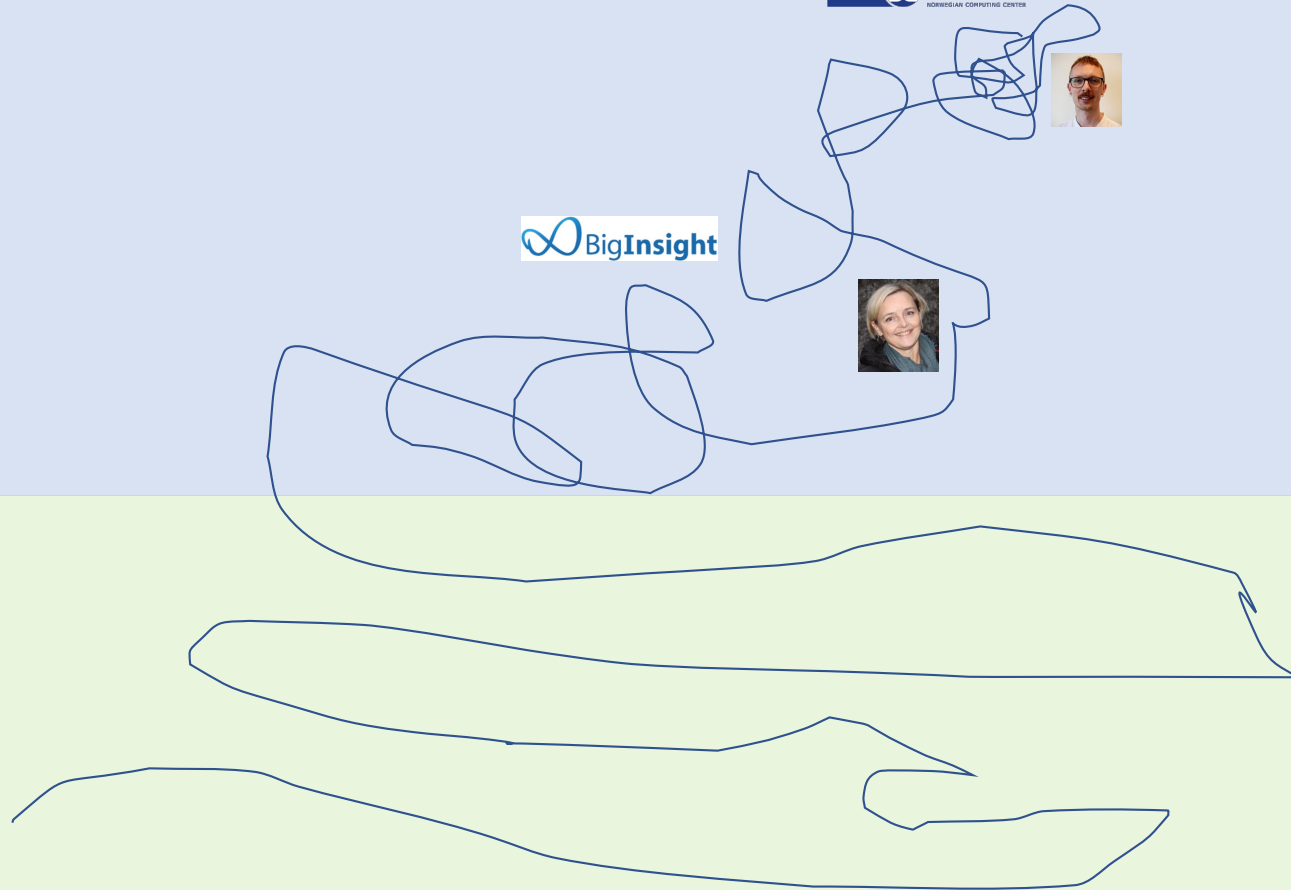

Guiding principles:

FUN

MEANING

-> Motivation

>= 2010

My application process

1. I tried to get a summer job twice, didn't get it
2. Collaborated with NR during PhD
3. Applied 9 months before handing in the thesis
4. Two interviews

Finally:

Number 1 tip: Karrieresenteret

Motivation, motivation, motivation

What can you do for them?

Why are you particularly suited?

FUN

MEANING
